HERITANCE

Wine Region: Napa Valley, California Date Established: 2013 Winemaker: Bob Pepi Consulting Winemaker: Tom Hinde

Heritage is proudly the cornerstone Napa Valley brand of the Taub Family Vineyards. Heritage was originally launched by Bernard Portet, a visionary Napa Valley winemaking icon who had co-founded Clos du Val Winery in Napa's Stags Leap District and was winemaker there for 35 years.

The name Heritage is fittingly derived from a combination of 'heritage' and 'inheritance,' signifying the start of a new tradition and continuation of an enduring legacy.

Heritage wines are elegant, complex and balanced, and are crafted to pair beautifully with food.

Heritage draws exclusively on premium grapes from leading sustainable growers throughout Napa Valley, focusing on fruit grown between St. Helena in the middle of the valley and cooler districts to the south near the town of Napa. This "winery without walls" allows the flexibility to craft distinctive, small production wines when the perfect opportunity presents itself during any given vintage. There may only be a few barrels made of these wines – and they may not be produced each year – but the selection process is rigorous and the lots are set aside only when deemed truly exceptional.

- CABERNET SAUVIGNON 94% Cabernet Sauvignon, 6% Merlot, 2% Cabernet France, and 2% Petit Verdot. From Napa's core growing sites in Yountville, Oakville, Rutherford and St. Helena, this wine is layered with dark fruits, blackberry, plum and cassis. Well integrated oak lends hints of vanilla and subtle roasted coffee notes. The palate is complex with an elegant structure.

- SAUVIGNON BLANC 93% Sauvignon Blanc, 7% Semillon. From vineyards in the Oak Knoll, Yountville, and Napa Carneros AVA's as well as far north as Rutherford and St. Helena, the wine has tropical fruit, Meyer lemon and pineapple notes, with hints of orange blossom. The palate is lush and mouth-watering.
